The Trussell Trust supports a nationwide network of food banks to provide emergency food and support to people locked in poverty, and campaign for change to end the need for food banks in the UK.

More than 14 million people are living in poverty in the UK – including 4.5 million children. The Tom Smith eco range of Christmas crackers proudly supports the Trussell Trust by donating £2 per case from sales.

These crackers are made from 100% recycled board and are recyclable.
